Today, the following seven countries are Member States of CCTTFA: Burundi, DRC, Malawi, Rwanda, Tanzania, Uganda, and Zambia. The Agency is charged with the mandate of promoting the optimal utilization of the Central Corridor, encouraging the maintenance, upgrading, improvement and development of infrastructure and supporting service facilities covering ports, railways, inland waterways, roads, land border posts along the Corridor to meet the needs and requirements of all stakeholders, ensuring open competition and reducing the cost of transit transport for landlocked Member States.

The Central Corridor Transit Transport Facilitation Agency (CCTTFA) hereby invites qualified, eligible, and experienced Consulting Firms to submit Expressions of Interest (EOI) for prequalification for consultancy services to develop the CCTTFA Strategic Plan for the period 2026-2031. The pre-qualification stage serves as the initial phase of the international competitive tender process. Only firms that satisfy the specified eligibility and evaluation criteria will be shortlisted and subsequently invited to submit detailed proposals.

This assignment aims to transition CCTTFA from a Transit and Transport Facilitation Corridor to a Green Economic Development Corridor (GEDC), aligned with the GEDC Vision adopted in 2023. The assignment involves significant fieldwork and primary data collection across the seven member states through focus group discussions with resource persons, presentations for validations purposes, as well as any other method deemed appropriate and approved by CCTTFA.
